Citizenship:	United States

I believe I am an original, first, and sole inventor (if only one name appears above), or a joint inventor (if more than one name appears above) of the subject matter which is claimed and for which a patent is sought on the invention entitled "Breathing Air Filtration System," the specification of which either (1) is attached hereto, or (2) was filed _____ with the U.S. Patent and Trademark Office as application Serial No. 10/_____, further identified by Attorney Docket No. 28982-01. If (2) applies, I authorize post-signature entry of the application filing date and Serial No. immediately above, to facilitate the filing of this declaration.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to herein.

I acknowledge the duty to disclose information material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

I hereby claim priority benefits under Title 35, United States Code, §119 (or §365) of any foreign (non-U.S.) application(s) for patent or inventor's certificate listed pursuant to §119 (a)-(d) or of any provisional patent application(s) listed pursuant to §119(e), and have identified any such application(s) for patent or inventor's certificate having a filing date before this application:

N/A _____ _____
(Number) (Country) (Day/month/year filed)

I hereby claim the benefit under Title 35, United States Code, §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, §112, I acknowledge the duty to disclose material information in accordance with Title 37, Code of Federal Regulations, §1.56 which became available between the filing date of the prior application(s) and the national or PCT international filing date of this application:

N/A _____ _____
(Application Serial No.) (Filing date) (Status - patented, pending, abandoned)

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Please direct all communications concerning this application to:

DECLARATION CLAIMING SMALL ENTITY STATUS UNDER
37 CFR 1.9(f) AND 1.27 (b) - INDEPENDENT INVENTOR

As a below named inventor, I hereby declare that I qualify as an independent inventor as defined in 37 CFR §1.9(c) for purposes of paying reduced fees to the Patent and Trademark Office with regard to the invention entitled Breathing Air Filtration System described in:

- ☒ the specification filed herewith
- ☐ the above-identified patent application
- ☐ the above-identified patent.

I have not assigned, granted, conveyed or licensed and am under no obligation under contract or law to assign, grant, convey, or license any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR §1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR §1.9(d) or a non-profit organization under 37 CFR §1.9(e).

I hereby identify each person, concern or organization to which I have assigned, granted, conveyed or licensed or am under an obligation under contract or law to assign, grant, convey, or license any rights in the invention:

- ☒ There is no such person, concern, or organization.
- ☐ Each such person, concern, or organization is listed below.

Name:

Address:

☐ Individual ☐ Small Business Concern ☐ Nonprofit Organization

[Separate verified statements are required from each named person, concern or organization having rights to the invention regarding small entity status.
(37 CFR §1.9(f)).]

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the loss of entitlement to small entity status. (37 CFR §1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18, United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
